New Libations at Cloak & Petal

Little Italy's hottest Japanese fusion concept, **Cloak & Petal**, is mixing up a slew of new libations to sip under their iconic faux cherry blossom trees. **The Feudal Princess** plays on the classic martini, bestowing a delicate intermingling of dry gin, elderflower and Crème de Violette. Mule lovers can get their fill with their new Japanese Mule, featuring a melding flavors such as honeydew melon, white grape and Kabosu citrus, Shochu blend with passion fruit, ginger and fresh lime.
